

Life.SUPPORT

Only a 51% **graduation** rate?!

We're in a state of **emergency**!

Assessment

Life support partners each student with an expert academic adviser to identify interests, hobbies, dreams, goals, and life skills.

Goal Creation

We are student-focused & data driven. We generate practical plans to achieve milestones & goals that stretch beyond high school.

Graduation & Transition

Your contribution supports a graduate with post-high school goals & plans that will lead to a culture of success.

Life Support

Educate: Annual Events designed to educate and support our youth (empowered by RocCity48).
